

Bowls Alberta

2018 - 19 Final Membership Registration Information

1. The following registration form is to be completed and submitted to the Bowls Alberta office, along with a cheque for the membership fees of any new members that were added after your initial payment in June. Fees are typically assessed shortly after a season starts and once again a few months later to capture any 'new' members that joined during the summer months.
2. In addition, please ensure you have updated your **membership list** through the online database. The numbers submitted there should be used to determine your membership fees. You only pay fees for the 'primary' members and not those that already had their Bowls Alberta fees paid for this year through another club.
3. **Please send cheque to:** Lawn Bowls Association of Alberta
11759 Groat Road
Edmonton, AB T5M 3K6

Do note also that we have not legally changed our association name yet at the bank so write the cheque to 'Lawn Bowls Association of Alberta' or short form 'LBAA'.
